Dear Dr. Marchand,

Congratulations! The American Board of Obstetrics and Gynecology, Inc. is pleased to inform you that you passed the secure, proctored Focused Practice Designation Exam in Minimally Invasive Gynecologic Surgery (MIGS) administered May 3-7, 2021. A summary of your performance on the exam can be found on your Dashboard in the ABOG Physician Portal at www.abog.org.

Information on the ABOG Maintenance of Certification (MOC) Program for the Focused Practice Designation in MIGS will be available in the 2022 Minimally Invasive Gynecologic Surgery Bulletin which will be posted on the ABOG website (<https://www.abog.org/about-abog/bulletins>).

The ABOG MOC Part II Lifelong Learning and Self-Assessment requirement for specialists with a MIGS Focused Practice Designation has three parts:

- a. articles in general obstetrics, gynecology, office practice, and four subspecialties;
- b. articles in minimally invasive gynecologic surgery; and
- c. articles in health equity and patient safety.

The ABOG MOC Part II Lifelong Learning and Self-Assessment requirement for subspecialists with a MIGS Focused Practice Designation has four parts:

- a. articles in general obstetrics, gynecology, office practice, and the other three subspecialties;
- b. articles in minimally invasive gynecologic surgery;
- c. articles in the Diplomate's subspecialty; and
- d. articles in health equity and patient safety.

Likewise, a Diplomate who holds a non-time-limited certificate in obstetrics and gynecology or an ABOG subspecialty must participate in the ABOG MOC Program annually to maintain their Focused Practice Designation in MIGS.

Sincerely,
